

Belleview Soccer Club  
PO Box 186  
Belleview, FL 34421

The Belleview Soccer Club is a registered “not for profit” organization that provides athletic activity and instruction in the sport of soccer for hundreds of kids each season. We have two seasons; spring and fall. Practices are held on weeknights and games are held on Saturday’s. Between players, siblings, parents, relatives and friends, we have more than 1,000 people at our games and practices during the course of a week. We rely on the support of our community to be able to give the children a place to learn soccer, good sportsmanship and teamwork. For more information about our club, please check out our website at: [www.belleviewsoccerclub.com](http://www.belleviewsoccerclub.com).
